## The regrettes attention seeker

Home/Attention Seeker CD Click for Bigger Image AllMusic Rating User Rating (0) Your Rating Overview ; User Reviews ; Credits ; Releases ; Similar Album ; The very definition of a stopgap EP, Attention Seeker appeared just over a year after Regrette's 2017 full-length debut, Feel Your Feelings Fool!, and includes acoustic versions of two songs from that album (Hey Now, A Living Human Girl), a revved-up cover of Dion's A Teenager in Love and two new songs. Of course, it's the new songs that are attention grabbers: Come Through ostrich to a rhythm that flirts with funky, while Red Light rushes through its power pop hooks. Both are strong additions to regrette's catalog, reason enough to get the EP, but the other three songs are solid too: the Dion cover accentuates the group's pop line and the stripped-down acoustic numbers offer reminders that Lydia Night is a savvy songwriter. blue highlight denotes track pick You've got a lot of nerve when you try to call me But we both know very well You're the one with the big mouth I thought I liked you and your mom and dad too But now I know I want no part of them or you It's not my fault It's not my fault as you say it's not my fault I told you a long time ago that I don't would put up with your You can't get through As you say you do Now I don't need you because Because I don't need you You won't get through Like you say you do Now I don't need you to Cause I don't need you (oh oh oh oh oh) Don't need you (oh oh oh oh oh) Don't need you you think you've played me for a fool (for a fool) When really you just made yourself look like a stupid tool I know it must be hard to see You're not my cup of tea That's exactly what happens when you're way too cool It's not my fault (no, 2) It's not my fault that you say it's not my fault because I told you a long time ago that I wouldn't put up with your You won't get through Like you say you do Now I don't need you because I don't need you You can't get through like you say you do Now I don't need you to Cause I don't need you (oh oh oh oh oh oh oh oh) Don't need you (oh oh oh oh oh oh) (Ooh oohohohoh) x2 Boy it's time I let you know yes I think it's time I think it's time I let you go Boy I think it's time I think it's time I let you know that you do Now I don't need you to cause I don't need you (oh oh oh oh oh oh) Don't need you (oh oh oh oh oh oh) I don't need you if you did I would probably from you you can not hate me Even if you probably do Because then I might just die and have to blame you I can not breathe but maybe it's okay Maybe I'll just save it for another rainy rainy I can't sleep but maybe it's okay I can save my sleep for another empty night Kiss me at red light once every time I think of you feels like a crime Well I could be green, red, orange, purple or blue Only if it means I keep you Oooooh, Oooooh, Oh Oh, Oooooh, Oooooh You can't love me You may not cause if you did I would probably run from you You can not hate me Even if you probably do Cause then I might just die and have to blame you Kiss me on red light once more I think of you feels like a crime Well I could be green, red, orange, purple or blue Only if it means I keep you Oooooh, Oooooh, Oh Oh, Oooooh, Oooooh You can't love me You may not cause if you did I would probably run from you You can not hate me Even if you probably do Cause then I might just die and have to blame you Kiss me on red light one more time I think of you feels like a crime Well I could be green, red, orange, purple or blue Only if it means I keep you Every time we have an argument, it almost breaks my heart, I guess I'm so afraid we're going to need some, every night I ask the stars up above, why do I have to be a teenager in love? One day I feel so happy, the next day I feel so sad. I guess I'll learn to take the good with the bad. Every night I ask the stars above, Why do I have to be a teenager in love? I cried a tear for no one but you, I'm going to be a lonely one, if you're going to say we're through. So if you want to make me cry, it won't be that hard to do. Every night I ask the stars above, Why do I have to be a teenager in love? I cried a tear for no one but you, and I will be the only one, if you're going to say we're through. So if you want to make me cry, it won't be that hard to do. But if you said goodbye, yes I would still keep loving you. Every night I ask the stars above, Why do I have to be a teenager in love? Why do I have to be a teenager in love? Why do I have to be a teenager in love? Why do I have to be a teenager in love? Hey, what's your name?
